**PETITION TO WITHDRAW
HOLDING OF ABANDONMENT
PURSUANT TO 37 C.F.R. §1.181(a)**

BOX PETITION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Notification of Abandonment dated August 24, 2002 (copy enclosed), Applicants hereby petition for withdrawal of the holding of abandonment for U.S. Patent Application No. 09/214,124. This petition is timely filed within two months of the mail date of the Notification of Abandonment. Pursuant to 37 C.F.R. §1.181, this petition does not require a fee.

Applicants submit that the holding of abandonment dated August 24, 2002 should be withdrawn for the following reasons. The Notice of Abandonment indicates that the captioned application was abandoned for Applicant's failure to file a timely response to an

Office Action mail dated January 28, 2002. Applicants submit that they never received the Office Action of January 28, 2002.

Pursuant to M.P.E.P. 711.03(c)(II), Applicants provide the following to show that the Office Action of January 28, 2002, was not received.

First, the undersigned Attorney of Record, Teresa Stanek Rea, hereby states that despite a search of the file jacket and the docketing records, there is no indication that the Office Action of January 28, 2002 was received by Burns Doane Swecker & Mathis, LLP. Attached hereto is a copy of the docket record of Burns Doane Swecker & Mathis, LLP for April 28, 2002, the three month due date for Reply to the Office Action of January 28, 2002. This docket report for April 28, 2002 shows no record of a Reply due to a Office Action for captioned Patent Application No. 09/214,124.

In further support, Applicants provide the docketing report of August 14, 2002, which notes that Patent Application No. 09/214,124 was docketed for a status check, as no Office Action had been received from the U.S. Patent and Trademark Office. Nancy Robins of Burns Doane Swecker & Mathis, LLP called Examiner Nguyen on August 30, 2002 to discuss the status of the patent application, and Examiner Nguyen made her aware of the Office Action of January 28, 2002 at that time.

Thus, Applicants submit that the Office Action of January 28, 2002 was never received, and therefore the holding of abandonment was improper.

Withdrawal of the holding of abandonment is respectfully solicited.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.

— The MAILING DATE of this communication appears on the cover sheet with the correspondence address—

This application is abandoned in view of:

1. ☒ Applicant's failure to timely file a proper reply to the Office letter mailed on 28 January 2002.
 - (a) ☐ A reply was received on _____ (with a Certificate of Mailing or Transmission dated _____), which is after the expiration of the period for reply (including a total extension of time of _____ month(s)) which expired on _____.
 - (b) ☐ A proposed reply was received on _____, but it does not constitute a proper reply under 37 CFR 1.113 (a) to the final rejection. (A proper reply under 37 CFR 1.113 to a final rejection consists only of: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114).
 - (c) ☐ A reply was received on _____ but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).
 - (d) ☒ No reply has been received.
2. ☐ Applicant's failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85).
 - (a) ☐ The issue fee and publication fee, if applicable, was received on _____ (with a Certificate of Mailing or Transmission dated _____), which is after the expiration of the statutory period for payment of the issue fee (and publication fee) set in the Notice of Allowance (PTOL-85).
 - (b) ☐ The submitted fee of \$_____ is insufficient. A balance of \$_____ is due.
The issue fee required by 37 CFR 1.18 is \$_____. The publication fee, if required by 37 CFR 1.18(d), is \$_____.
 - (c) ☐ The issue fee and publication fee, if applicable, has not been received.
3. ☐ Applicant's failure to timely file corrected drawings as required by, and within the three-month period set in, the Notice of Allowability (PTO-37).
 - (a) ☐ Proposed corrected drawings were received on _____ (with a Certificate of Mailing or Transmission dated _____), which is after the expiration of the period for reply.
 - (b) ☐ No corrected drawings have been received.
4. ☐ The letter of express abandonment which is signed by the attorney or agent of record, the assignee of the entire interest, or all of the applicants.
5. ☐ The letter of express abandonment which is signed by an attorney or agent (acting in a representative capacity under 37 CFR 1.34(a)) upon the filing of a continuing application.
6. ☐ The decision by the Board of Patent Appeals and Interference rendered on _____ and because the period for seeking court review of the decision has expired and there are no allowed claims.
7. ☐ The reason(s) below:

Ms. Nancy Robins phoned Examiner on 8/14/02 to inform Examiner that Applicants have not received the Office Action mailed on 1/28/02, therefore no Response has been filed (more than 6 months since the mailing date of the last Office Action). Therefore, the application has been technically abandoned. Examiner suggests Applicants to file a petition to revive the above application.

DAVE T. NGUYEN
PRIMARY EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.
